

## STEP BY STEP GUIDE FOR CEX.IO

CEX.io is an "all-inclusive" exchange - where you can buy Bitcoin, deposit to your JustBet account and withdraw back to CEX.io and then to your bank. The set-up and verification process takes about 30 minutes and once it's done, you'll be able to make your deposits quickly and safely anytime you want.

This guide covers:

1. **CREATING YOUR CEX.IO ACCOUNT**
2. **BUYING BITCOIN**
3. **DEPOSITING TO JUSTBET**
4. **WITHDRAWING FROM JUSTBET**

\*\*\*\*\*

### 1) **CREATING YOUR CEX.IO ACCOUNT**

Haven't created an account at CEX.io yet? No worries, we'll walk you through it.

Just head to <https://cex.io/>, hit the **Register** button and follow these steps:

1. Fill out the details
2. Hit **Proceed** on the next screen
3. An email **confirmation link** will be sent to you.
4. Open the email and either press **Confirm**, or copy the code at the bottom and return to the CEX.io page to paste the code.
5. Once your email is confirmed, press **Proceed**
6. Next, you will be asked for phone verification. Hit **Confirm** and choose **SMS** or **Call**.
  - NOTE: If the code is not sent within 30 seconds, hit **SMS / Call not Received** to request a new code
7. Enter the code that was sent to you and hit **OK**

The last step to create your account is identity verification.

1. Hit the **START VERIFICATION** button

## Trade Crypto

If buying is not enough, make a few final steps to start trading crypto on CEX.IO

- 1 **Verify your identity.**  
After you get verified, you will have a full access to trading platform.

START VERIFICATION

If you need any help, check out this [Verification Guide](#).

- 2 **Fund your account.** Use your Mastercard or VISA card or any other available payment method.
- 3 **Enjoy trading on CEX.IO!**

2. On the next screen, hit the **Identity Verification** box

**Identity verification**

By completing this step you unlock Address verification.

**Address verification**

LOCKED

Confirm your residential address and increase your limit to €30,000 per month for credit card purchases.

**Enhanced verification**

LOCKED

Get priority support, extended limits and a high turnover for your account.

**Corporate verification**

LOCKED

Get priority support, extended limits and a high turnover for your account.

3. Select **Ok, let's go**
4. Hit **Country of residence**, and confirm your country
5. Hit **Proof of identity document**, and select the document type
6. You can then choose to **upload photos** using your mobile phone or through a form on the website
7. Follow the instructions to attach photos of the **front** and **back** of your ID and a **selfie** of you holding your ID
8. Fill out your **real name**
9. Enter your **nationality** and **date of birth**
10. Enter the ID **date of issue** and **expiration**

It could take **up to 30 minutes** for your ID to be verified. Once it's done, you'll get an email confirming this.

***You can verify address and other info for increased limits and access to bigger benefits at CEX.IO, but this is completely optional.***

## 2) BUYING BITCOIN

When you're ready to buy Bitcoin:

1. Go to **Cards** at the top of the CEX.IO page. *If you are still on the verification screen, hit **Exit Verification** first.*
  -  By default, the site gives you credit cards as the only option. If you want to use bank transfers instead, press the green **Deposit** tab on the right. **NOTE: We recommend using**

*a card, since the payment will be processed in just minutes. To use bank transfers, you'll need to complete further verification, plus these take a lot longer (anywhere from 1-5 business days) to be completed.*

2. Enter the **card details** (card number, name and expiration date)
3. Hit **Proceed**

A screenshot of a payment card entry form. At the top right, there are logos for VISA and Mastercard. Below these, the form has three input fields: 'Card Number' with the placeholder '4444 4444 4444 4444', 'Full Name as on Your ID' with the placeholder 'JOHN SMITH', and 'Expiry Date' with the placeholder '11/27'. Below the input fields, there is a warning icon (a yellow triangle with an exclamation mark) and the text 'You must be over 18 years old to use payment cards on CEX.IO.'. At the bottom of the form, there is a large blue button labeled 'Proceed'.

On the next screen:

1. Upload a photo of yourself holding the card
2. Hit **Proceed**

Selfie with Payment Card

Drop files to attach, or

**Upload selfie**

Verification normally takes **5 minutes** but if it takes longer please be patient and wait for the email to be sent.

Once verification is complete:

1. Go to **Buy/Sell** at the top of the CEX.IO page. *If you are still on the verification screen, hit **Exit Verification** first.*
2. Choose the **type of cryptocurrency** you want to buy
3. Choose the **currency** you want to use
4. Select the **amount** and hit **Buy**

On the next screen, check all the details carefully and select **Buy Now** to finalize the purchase.

### 3) DEPOSITING TO JUSTBET

Once you have Bitcoin available on your CEX.IO account, you're ready to fund your sports account.

First, you'll want to go to the JustBet website since that's where you will be getting the address to send the funds to.

Just log in to your account and follow these steps:

1. Open the Cashier
2. Select **Deposit**
3. Select **Bitcoin**
4. Enter the **amount** to deposit (this must be the exact amount you want to deposit)
5. Claim a **bonus** (optional)
6. Hit **GET ADDRESS**

You will now need to **copy this address**. You can either highlight by dragging, or copy instantly by hitting the small copy icon (like two sheets of paper) to the right of the address. ***Please do NOT type the address by hand. Always use the copy-paste feature!***

Next, return to **CEX.IO**, and hit the blue **WITHDRAW** tab on the right of your screen:

Now, follow these steps:

1. **Paste the Bitcoin address** into the field
2. Choose **BTC** as the currency type and enter the **amount**. *This must match the exact amount that was shown in the JustBet Cashier.*
3. Hit the **Withdraw** button

Your deposit will then be posted to the blockchain. It usually takes **10-60 minutes** for deposits to be confirmed.

You can check the status on any transaction by going to the blockchain website and entering your deposit's address: <https://www.blockchain.com/explorer>.

#### 4) WITHDRAWING FROM JUSTBET

To make a withdrawal from JustBet to CEX.IO, simply follow these steps:

1. From your CEX.IO account, hit **DEPOSIT** at the top of the screen.
2. On the right side, select the cryptocurrency you want to withdraw (e.g., BTC Bitcoin).
3. Check-mark the confirmation box and hit Continue.
4. You will see your BTC receiving address, which you can copy using the copy icon.

## You have chosen BTC Deposit

Please make sure you made the right choice

☒ I have double-checked the selected coin, address, amount, and fees and agree with [Terms of Use](#), [Refund Policy](#) and [Payment Conditions](#)

3

Continue

Or send funds to the address below

4

3L1RtXcPvZDC47Jp514Pr9AnfHhfeqV5

 Minimum deposit amount is 0.0001. If the amount is less than specified, the funds will not be credited to your Account. The funds will appear on your balance once the deposited amount exceeds specified minimum.

Now, go to your JustBet account and:

1. Open the **Cashier**
2. Select **Withdraw**
3. Choose **Bitcoin**
4. Choose the **amount**
5. **Paste** the Bitcoin address you had copied from CEX.IO
6. Hit **Verify Withdraw**

It normally takes only 2-3 hours for your withdrawal to be sent, but may take up to **48 hours** in some rare cases.

When the Bitcoin arrives to your exchange wallet, you can then convert it to USD to be transferred over to your bank account.

**NOTE: We highly recommend converting the Bitcoin into USD as soon as you receive it. This way you can protect yourself against any possible drop in the value of Bitcoin.**

To do this, simply hit **TRADE** at the top of the screen and follow these steps:

1. Scroll down to where you see **Sell BTC**
2. Enter the **amount in BTC** you wish to convert to USD
3. The **amount in USD** will be shown on the right
4. Hit **Place order**

**Sell BTC:** BTC balance: 0.00000000

1

Amount to Sell Price per BTC

2 BTC 3 9939.0 USD 4 Place order

Total: 0.00 USD (Fee: 0.00 - 0.00 USD)

Now with your funds changed back to USD, the final step is to take them out of your CEX.IO wallet and move them over to your personal bank account.

1. Go to the **WITHDRAW** tab at the top of the screen
2. On the right, choose **currency** and the **amount** you are taking out
3. Choose the **method** you will be using to withdraw
4. **Verify your Identity** (if you have not already)
5. Follow the rest of the steps to add your bank information and complete the transaction

It should take **24 hours or less** (on business days) for the funds to arrive to your bank account. You can check the CEX.IO website for more details on the exact time frame.
