

STEP BY STEP GUIDE FOR PAXFUL

Paxful is a unique type of exchange. On most exchanges, you are buying Bitcoin directly from the exchange site. With Paxful, trades are done **person-to-person**, with a wide selection of individual sellers to choose from. The major benefit is that there are **over 300 options** for buying Bitcoin, including **credit card, E-Wallets, gift cards and more**.

This guide covers:

1. **CREATING YOUR PAXFUL ACCOUNT**
2. **BUYING BITCOIN**
3. **DEPOSITING TO JUSTBET**
4. **WITHDRAWING FROM JUSTBET**

1) **CREATING YOUR PAXFUL ACCOUNT**

Haven't created an account at Paxful yet? No worries, we'll walk you through it.

Just head to **<https://paxful.com/>** hit the **Create Account** button, and follow these steps:

1. Fill out the details and hit **CREATE A FREE PAXFUL ACCOUNT**
2. You will be sent an email. Open it and hit the **VERIFY EMAIL** button

Now your account is verified and you will see four sections related to setting your account up. These are: Profile, Security, Developer, Verification.

Under **Profile**, you will be asked to complete your account profile:

1. Set two security questions
2. Verify phone number
3. Select preferred currency
4. Hit **SAVE CHANGES** at the bottom of the page.

2) **BUYING BITCOIN**

To buy Bitcoin on Paxful you will first need to hit the **BUY BITCOIN** button at the top of the screen.

Next, you'll need to fill out this info:

1. The **method** you want to use to buy Bitcoin *We recommend debit/credit card, E-Wallets or gift cards. With those methods, your payment will go through in just minutes. With bank transfers, it can take up to several business days.*
2. Choose the **amount**
3. Choose your **currency**
4. Hit the **SEARCH FOR OFFERS** button to be shown the list of matching sellers

The screenshot shows a form to buy Bitcoin. Step 1 points to the 'Buy bitcoin with' dropdown menu, which currently shows 'ANY Credit/Debit Card'. Step 2 points to the amount input field, which has '500' entered. Step 3 points to the currency dropdown menu, which shows 'USD'. Step 4 points to the 'SEARCH FOR OFFERS' button. Below the form, there is a Bitcoin icon, the text 'You buy bitcoin', and 'Current market price of bitcoin: 7,917 USD'.

Next, you will see a list of all sellers matching the parameters you set.

- Tap on any **SELLER** to view their profile, including feedback from people they have done business with in the past.
- Under the **BUY BITCOIN WITH** column you can see important details, such as whether or not the seller requires you to provide ID.
- The **AMOUNT LIMITS** column shows you how much you can purchase from the seller
- The **RATE PER BITCOIN** column shows how much you will actually for every dollar spent.

To continue with the purchase, follow these steps:

1. Select the seller you want, and hit the **BUY** tab on the right.
2. On the following page, confirm the amounts and hit **BUY NOW** (your transfer will then be placed in escrow)
3. On the next page, you will have the option to **chat** with the seller, **view offer details**, and use the **Upload** if the seller needs you to send ID, you will see an **Upload** tab to send photos of your ID and selfie (if required)

4. The seller will share a secure payment link for you to enter your payment information.
5. When you have made the payment, hit the **PAID** button to confirm it's done.

PAID	Once you have made a payment make sure you click on "I have paid" button. Otherwise the trade will timeout and the bitcoins will return to the vendor.
CANCEL	You can always cancel the trade if it was mistakenly started or if you do not meet the requirements provided in the trade instructions.

You will receive a confirmation as soon as the purchase is complete and the Bitcoin is available in your account.

3) DEPOSITING TO JUSTBET

Once you have Bitcoin available on Paxful, you're ready to send it to fund your sports account.

First, go to the JustBet website since that's where you will be getting the address to send the funds to.

Just log in to your account and follow these steps:

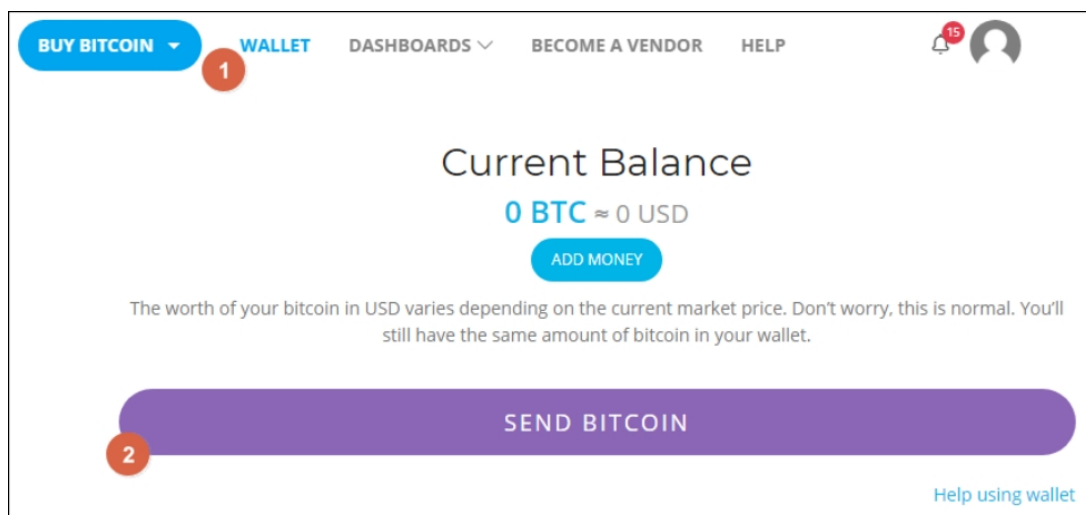

1. Open the Cashier
2. Select **Deposit**
3. Select **Bitcoin**
4. Enter the **amount** to deposit (this must be the exact amount you want to deposit)
5. Claim a **bonus** (optional)
6. Hit **GET ADDRESS**

You will now need to **copy this address** by hitting the small copy icon (like two sheets of paper) to the right side of the address. ***Please do NOT type the address by hand. Always use the copy-paste feature!***

Next, return to **Paxful**, and follow the steps below:

1. Go to **WALLET** at the top of the page
2. Hit **SEND BITCOIN**
3. On the next screen, enter the **AMOUNT** to send.
4. Paste the address you copied earlier from the Bitcoin Cashier in the **BITCOIN ADDRESS** field.
5. Enter your **Paxful password** to confirm
6. Hit **Continue**

PASSWORD **5** Repeat your Paxful password
[Set 2FA](#) so you won't have to type your password whenever you send out bitcoins.

6 Continue

Your deposit will then be posted to the blockchain. It usually takes **10-60 minutes** for deposits to be confirmed.

You can check the status on any transaction by going to the blockchain website and entering your deposit's address: <https://www.blockchain.com/explorer>.

4) WITHDRAWING FROM JUSTBET

To make a withdrawal from JustBet to Paxful, simply follow these steps:

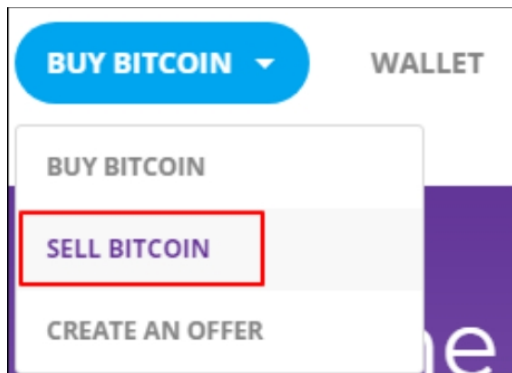

1. From your Paxful account, hit **WALLET** at the top of the screen.
2. You will see your Bitcoin address on the screen
3. Hit **COPY ADDRESS**

Now, go to your JustBet account and:

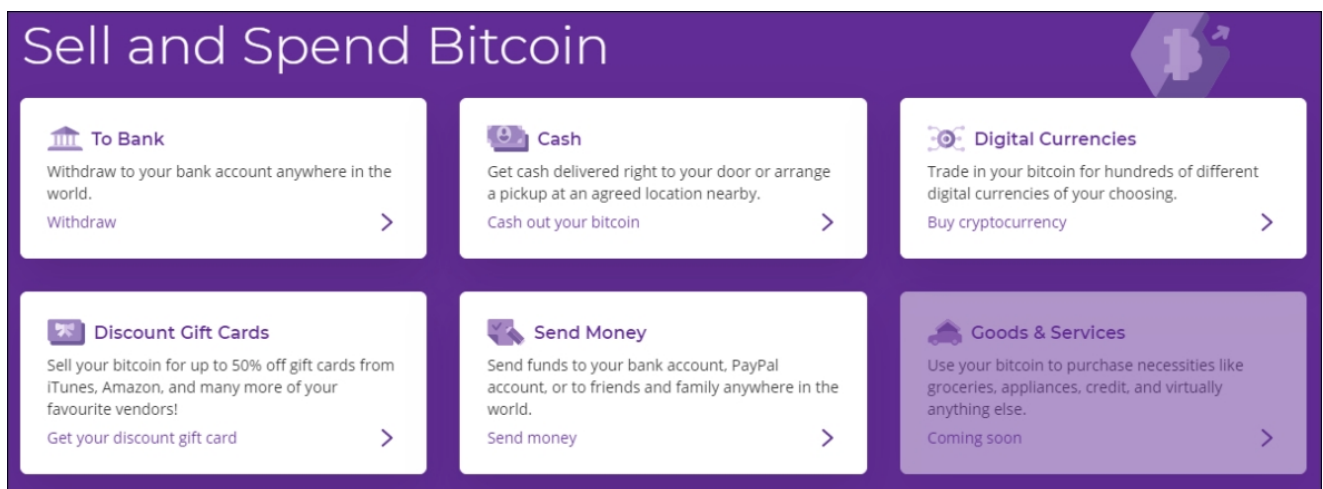

1. Open the **Cashier**
2. Select **Withdraw**
3. Choose **Bitcoin**
4. Choose the **amount**
5. **Paste** the Bitcoin address you had copied from Paxful
6. Hit **Verify Withdraw**

It normally takes only 2-3 hours for your withdrawal to be sent, but may take up to **48 hours** in some rare cases.

When the Bitcoin arrives to your Paxful wallet, hit the **BUY BITCOIN** tab at the top of the screen, and then select **SELL BITCOIN** from the drop down:

You will then see a list of options for selling your Bitcoin:

For example, suppose you want to receive a bank transfer.

1. Select '**To Bank**' and hit **Withdraw**
2. Scroll down and you will see the list of potential buyers who will send you funds via bank transfer in exchange for the Bitcoin
3. Choose a buyer, then hit the **SELL** button the right side
4. Confirm the amount you wish to sell, then hit **SELL NOW**

On the next screen you can confirm your banking details and chat with the buyer.

NOTE: We highly recommend selling the Bitcoin as soon as you receive it. This way you can protect yourself against any possible drop in the value of Bitcoin
